ABC PROMOTES ISSUE ADVOCACY FOR 2008 ELECTIONS --

As the "issue-advocacy" arm of Associated Builders and Contractors, ABC Free Enterprise Alliance (FEA) tackles business initiatives, educates the public about construction and advocates the importance of open competition and free enterprise. ABC FEA supports get-out-the-vote campaigns, the distribution of voter guides comparing candidates' positions on issues important to the merit shop agenda and distributes information to ABC members on issues. ABC FEA has recently created and distributed to members a video that highlights critical issues in the 2008 elections that will impact you, your employees and their families. Included are:

- Card Check – protecting private ballot elections
- Energy Freedom – reducing dependence on foreign oil
- Health Care – access to quality health care benefits
- PLAs – the right to open competition
- Tax Reform – ending the “Death Tax” and reducing capital gains

The video can be accessed at www.abc.org/Government_Affairs/Politics/Video.aspx (NOTE THE UNDERSCORE BETWEEN GOVERNMENT_AFFAIRS). In addition, ABC FEA radio ads are now playing in our area, commenting on the important issues.

ABC FEA is supported by members' personal OR corporate contributions. If you would like to contribute to ABC FEA please contact the Chapter Office. Thank you to members who have contributed to date:
