SUMMER ACTIVITY SCHEDULED FOR ABC MEMBERS & GUESTS --

Once again ABC has scheduled events during our too short summer to provide opportunities for members to get out and enjoy a deserving break from busy schedules and to network with industry peers. Now, it is especially important to stay in touch with others from the industry to compare information on the real industry indicators that may impact your business. Why not do it in a setting that is relaxing and fun?

Take a look at the events below, mark your calendar and register today. Don't hesitate to contact the Chapter Office with any questions.
