**OUTSTANDING ACHIEVEMENTS, OUTSTANDING SPEAKER --** At ABC's Annual Employee Appreciation event 300 ABC members and guests enjoyed sharing an evening of well deserved recognition, good networking and a great presentation from special guest Benjamin Watson, Tight End for the New England Patriots. Students participating in ABC programs were recognized and those completing programs were presented their certificates of achievement.

Included during the event was the presentation of ABC's 2008 Annual Chapter and National Safety Award winners. Congratulations to all the winners for their commitment to safety and outstanding accomplishment. During the presentation it was noted that 20 companies were receiving awards for Zero Lost Workdays. The total manhours for the 20 companies during 2007 was 1,805,958, the equivalent of over 860 fulltime employees for 1 year!

Congratulations to all the winners:
