

CRAFT TRAINING FALL 2008 COURSE SCHEDULE

Mon, Tue & Wed Evenings 4 - 7 PM

ABC Chapter Training Facility
58 Chenell Drive, Concord, NH

FOR COURSE TOPICS / DATES / COSTS:
SEE REVERSE FOR DETAILS

- *Space is limited to 15 students per course.*
- *All registrations will be "first come first serve" from within the three categories.*

SO DON'T WAIT ... REGISTER EARLY!

COURSE TOPICS: *SEE REVERSE FOR DETAILS*

Included is classroom instruction and on-the-job performance evaluations for each of the topics listed. For those registering for a Full Semester Year, upon completion, students become part of a National Registry maintained by the National Center for Construction Education and Research (NCCER) to document their training accomplishments.

INSTRUCTORS:

The instructors have met all requirements and are certified as Craft Instructors by the NCCER. They are at the Journey level or above in Carpentry and have experience teaching in vocational/technical construction programs.

Please contact ABC for further information concerning instructors, instructor opportunities or details about the course.

How Do I REGISTER?

YOU CAN TAKE A SINGLE COURSE TO ENHANCE YOUR UNDERSTANDING OF A SPECIFIC TASK.

YOU CAN TAKE A "PACKAGE" OF COURSES IN AN AREA OF INTEREST SUCH AS WORKING WITH CONCRETE OR ROOFING APPLICATIONS.
